

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF RESIDENTS OF ROCKCASTLE)	
COUNTY, KENTUCKY FOR A PRELIMINARY HEARING)	CASE NO.
TO DETERMINE THE DESIRABILITY OF THE )	90-159
FORMATION OF A WATER ASSOCIATION )	

O R D E R

On June 1, 1990, 10 resident freeholders of Rockcastle County, Kentucky ("Applicants") filed an application with the Commission pursuant to KRS 74.012 for authority to proceed to incorporate a water association. In accordance with the requirements of KRS Chapter 74, Commission Staff conducted a field investigation to determine the feasibility of the water association. Staff's data and evaluation were presented in a Feasibility Report issued on August 21, 1990. The Feasibility Report was served on all parties of record in this case.

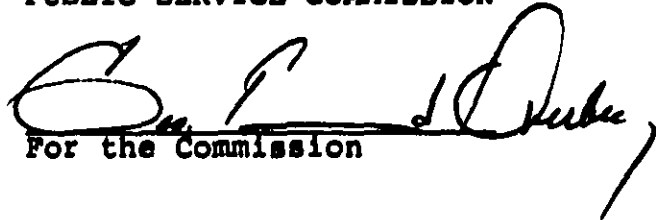

KRS 74.012 requires the Commission, upon receipt of an application to incorporate a water association, to set the application for formal hearing and to give notice to all water suppliers in the general area proposed to be serviced, as well as to other regulatory agencies having concern with the application. KRS 74.012 directs the Commission to freely permit intervention of any interested parties at the hearing. Before the Commission may approve any application for incorporation of a water association, it must make a finding and determination of fact that the

geographical area sought to be served by the proposed water association cannot be feasibly served by any existing water supplier.

IT IS THEREFORE ORDERED that a public hearing shall be held on October 8, 1990, at 10:00 a.m., Eastern Daylight Time, in Hearing Room 1 of the Commission's offices at 730 Schenkel Lane, Frankfort, Kentucky, to examine the feasibility of the water association proposed to be incorporated by the applicant. Pursuant to KRS 74.012, the persons and entities listed on the attached Appendix A have been served with a copy of this Order.

Done at Frankfort, Kentucky, this 21st day of September, 1990.
